COVID RAPID TESTING

Phone: 417-719-4510   **Address: 1824 N State Hwy CC Nixa, MO 65417**

Skip the long wait and make an appointment for *same day test results*!

A clinical pharmacist will discuss your results and provide recommendations for symptom management and disease prevention. Results for rapid tests are given in *15 minutes!*

$99

COVID-19 RAPID ANTIGEN TEST

This test is for people who may currently have the COVID-19 virus.

Sample acquired by a nasal swab.

$49

COVID -19 RAPID ANTIBODY TEST

This test detects if people were previously exposed to COVID-19, and will detect antibodies.

Blood sample acquired by a finger stick.

1 Go to www.alpspharmacy.com to schedule an appointment, fill out patient form and prepay for your test.

2 We ask that you arrive to the pharmacy 5 minutes before scheduled time and call to let us know you have arrived.

3 A member of our team will administer your test, gather the test results and a trained pharmacist will provide a consult based on your results.
